If you are in need of anything else in the plant or bulb line, write us for our catalog which will be issued September first. This catalog will contain everything we have to offer outside of peonies. We have a splendid assortment of Holland bulbs, such as Tulips, Hyacinths, Narcissus, Crocuses, etc. Will also have an especially fine lot of Roses to grow for house culture and outside planting.

THE LOGICAL TIME TO ORDER PEONIES

Is when you are "chumming" with them in your own or friend's garden. Memory is too elusive a thing to be trusted! Entrust your wishes to us; write us freely any time concerning Peonies. The full benefit of a quarter century's experience with this wonderful flower is yours to command.

MAKE OUR BOOKLET YOUR GUIDE

"Peonies for Pleasure" is not a catalog but a beautiful booklet free to all who love Peonies or want to. It will appeal as much to the hobbyist as it will help the beginner. Our admiration for the Peony is akin to religion, and you'll find every word in our Peony Bible to be true.

The proper time to plant Peonies is from September 1st until the ground freezes up.

The varieties in this list are ready in September, October, and November. Let us book your order now. Orders filed in strict rotation.
